Item 4 Other Business Activities

Dustin Aaron Bachtel is a Registered Representative with Alexander Capital LP. Alexander Capital LP is a diversified financial services company engaged in the sale of specialized investment products. In this capacity, Mr. Bachtel may recommend securities or insurance products offered by Alexander Capital LP as part of your investment portfolio. If you purchase these products through Mr. Bachtel, he will receive the customary commissions in his separate capacity as a Registered Representative of Alexander Capital LP.

Additionally, Mr. Bachtel could be eligible to receive incentive awards such as Alexander Capital LP may offer. He may also receive 12b-1 fees from mutual funds that pay such fees. The receipt of additional compensation may give Mr. Bachtel an incentive to recommend investment products based on the compensation received, rather than on your investment needs.

Dustin Aaron Bachtel is separately licensed as an independent insurance agent. In this capacity, he can effect transactions in insurance products for his clients and earn commissions for these activities. The fees you pay our firm for advisory services are separate and distinct from the commissions earned by Mr. Bachtel for insurance related activities. This presents a conflict of interest because Mr. Bachtel may have an incentive to recommend insurance products to you for the purpose of generating commissions rather than solely based on your needs. However, you are under no obligation, contractually or otherwise, to purchase insurance products through any person affiliated with our firm.
